

allows for resurfacing, maintaining or improving streets, roads, alleys, public ways or parts thereof in addition to its present ability or capability to only be used at this point in time for specific other things which is just certain streets. This allows expansion of the use of the funds out into the residential areas so that the residents of the city, who are paying the wheel tax, feel that they are getting a share back for their own uses. And it then goes on, as you stated, and I said that, that it does include related equipment purchases for those specific kinds of things. And so I didn't say you didn't...that you were incorrect. I said that it also did these other things and I stand still on that. You can look at the bill, it's this long, and I just ask your support for the bill. First and second class cities would like to have the same capability to use the funds as Omaha, for instance, at this point in time, if they have a wheel tax in place. Thank you.

SPEAKER BARRETT: Thank you. The question is the advancement of the bill. Those in favor vote aye, opposed nay. Have you all voted? Record.

ASSISTANT CLERK: 25 ayes, 0 nays on the advancement of the bill.

SPEAKER BARRETT: The next bill, Mr. Clerk.

ASSISTANT CLERK: LB 1013 was introduced by the Health and Human Services Committee. (Read title.) The bill was placed on...was read for the first time on January 8th, was referred to the Health and Human Services Committee. They report the bill back to General File with committee amendments attached, Mr. President.

SPEAKER BARRETT: Committee Chairman Wesely, please.

SENATOR WESELY: Thank you. Mr. Speaker, members of the Legislature, this bill is introduced by the Health and Human Services Committee. It follows up on a child care Task Force the committee did form last interim. The Task Force found a number of basically technical and procedural changes that were called for in the child care field. Number one, the rules and regulations in child care dealing with family day care homes have not been reviewed for about 10 years. This bill would call for that review. There will be...are we on the committee amendments now, Mr. Speaker?
